

IMPROVING THE LIVES OF THE AMERICAN PEOPLE

The Major Accomplishments Of The 115th Congress

TAX REFORM

Reformed America's tax code for the first time in 31 years - putting more money in the American people's pockets and creating more opportunity for them and their children.

JUDGES

Confirming President Trump's judicial nominees at a historic pace - 51 total, including 24 circuit judges, 26 district court judges, and Neil Gorsuch to the Supreme Court.

APPROPRIATIONS

Providing certainty to the American people with a restored regular order appropriations process by passing 7 of 12 appropriations bills through the Senate - the first time that's happened by the beginning of August since 2000.

FARM BILL

Working to provide farmers and ranchers with the certainty and predictability they deserve with Senate passage of a critical Farm bill.

DEFENSE

Restoring America's defense with the greatest investment in the military in decades, including the largest troop pay raise in nearly ten years.

COMBATING OPIOID ABUSE

Enacted a multibillion-dollar boost to combat a nationwide epidemic.

VETERANS

Delivered real reform and real choice to American veterans with the VA MISSION Act, modernized the veterans appeals process, reformed G.I. bill benefits and further improved VA accountability.

SAFE MEDICATIONS

Reauthorized the FDA programs that ensure safe and effective medications get to market to help patients.

REGULATORY REFORM

Used Congressional Review Act (CRA) a record-setting 16 times to roll back Obama-era regulations.

EDUCATING AMERICA'S WORKFORCE

Enacted a law to provide better education and training to help expand career opportunities for American workers.

ENERGY

Opened one of the largest untapped conventional oilfields in North America, in Alaska, to help keep energy affordable.

BANKING REFORM

Provided Main Street borrowers and lenders relief from burdensome Dodd-Frank red tape for the first time.

HOPE FOR THE TERMINALLY ILL

Provided terminally ill patients access to experimental treatments (Right to Try legislation).

FIGHTING SEX TRAFFICKING

Enacted the Stop Enabling Sex Trafficking Act (SESTA) to combat trafficking.

OBAMACARE

Repealed the individual mandate tax that forced Americans to buy something many didn't want or couldn't afford, and ended IPAB.

FIGHTING TERRORISM

Enacted the Taylor Force Act to disincentivize payments to terrorists.

SANCTIONS

Imposed on Iran, Russia, and North Korea.

REINING IN THE REGULATORS

Changed the balance of numerous boards and commissions from Democrat to Republican control, including the National Labor Relations Board (NLRB) and Federal Communications Commission (FCC).

HEALTHCARE FOR CHILDREN

Enacted the longest S-CHIP extension in history.

SCHOOL SAFETY

Enacted Fix NICS and STOP School Violence Act to help protect America's children from gun violence.
